Product Description

TrailMaster R125 7" Kid Sport Gas ATV

The TrailMaster R125 7" Kid Sport ATV is built for young riders ready to take on adventure. Powered by a durable 125cc engine with automatic transmission and reverse, it provides smooth, easy control for both beginners and experienced riders. With a 143 lb load capacity, 29 mph top speed, and a chain-driven system for steady traction, this ATV offers the perfect balance of excitement, safety, and reliability for family off-road fun.
