Product Description

Wright ZTS 52" Zero Turn Mower - WZTS52SFT7301B

DURABLE. COMFORTABLE. PRODUCTIVE.

The Wright ZTS™ is the perfect entry into Wright's mid-mount zero-turn mower lineup, designed for commercial cutters who want standout comfort without sacrificing durability or performance. Every detail is built for the real-world needs of landscapers, blending the ease of a ride-on with the efficiency and reliability Wright is known for. Take on demanding jobs with less downtime and more return on investment. Whether you're expanding your fleet or upgrading your lineup, the ZTS delivers a smoother ride, faster operation and proven productivity that pays off day after day.
